

School Zone Safety Program Statistics

Duluth, Georgia | June 2025

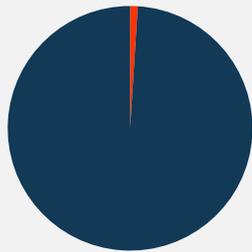

Data Covered: January 2024 – June 2025

The City of Duluth, Georgia implemented a school zone speed camera program to improve safety around school zones and reduce speeding violations. This report analyzes the program's impact based on data collected from program inception.

At the request of the Council, our police department has implemented a school zone safety program in compliance with GA Code§ 40-14-18.

The program operates at four (4) schools, beginning enforcement in February 2020.

99% Reduction in Speed Violators

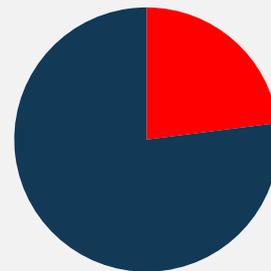

■ 2024-2025 School Year
■ Traffic Study Violations

Non-local Driver Education

Analysis of driver demographics revealed that **77% of violators were from outside of Duluth**. The camera program has helped educate these non-local drivers and raise awareness of the need to slow down near schools.

77% Non-Local Violators

■ Duluth Drivers ■ Non-Local Drivers

Significant Reduction in Speeding

After an initial testing period that recorded 7,890 violations per day across the four schools enforced, the camera program achieved a **remarkable 99% reduction in speeding violations**, with an average of just 90 citywide violations per day in the 2024-2025 school year (Aug-May).

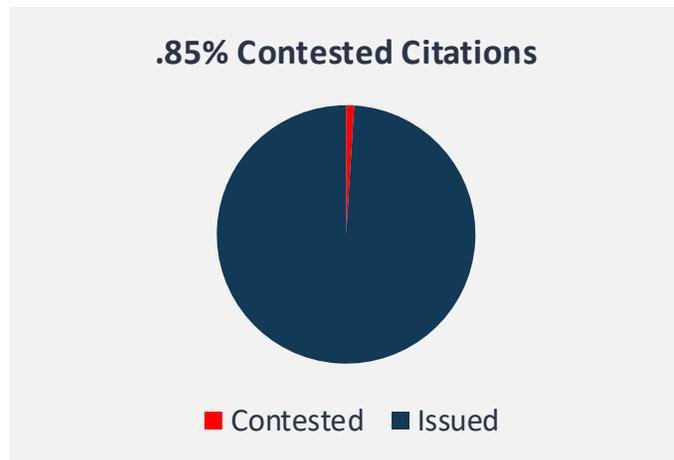

School Zone Safety Program Statistics

Duluth, Georgia | June 2025

Data Covered: January 2024 – June 2025

Fair Enforcement

The less than 1% of contested citations suggests that most drivers acknowledge their violations and accept the consequences. This affirms the camera program's fairness and accuracy in identifying speeding incidents.

Improved Driver Behavior

An average of 90% of offenders received less than two citations in 2025, indicating improved long-term driver behavior.

School Zones Enforced in the Program

We have implemented the program to reduce speeding and improve student safety at four (4) schools.
